An aerial photograph of Cape Town, South Africa, and Robben Island. The city is visible in the background, nestled at the foot of a large, flat-topped mountain range. In the foreground, the dark, rocky island of Robben Island is surrounded by the blue ocean. A green arrow points from the top left towards the city, and an orange arrow points from the bottom left towards the island. The text 'Cape Town' is written in green, and 'Robben Island' is written in white.
