Ms Anne Lotter

Executive Director- GTTP

London, UK

Dear Ms Anne Lotter,

We are writing to express our deepest gratitude to the Global Travel and Tourism Partnership (GTTP). Please receive our sincere gratitude for giving us the most precious opportunity. Your generosity and thoughtfulness have truly made a difference in our lives, and we are truly appreciative. The conference did not only provide us with a wonderful insight on the tourism industry, but it has reminded us of the importance of kindness and compassion in our world. Your willingness to go over and beyond with ensuring that the conference is a success and all our travel needs are taken care of, means more to us more than words can express.

The conference, themed "Building a Resilient Workforce Towards a Sustainable Future," brought together learners, teachers, and country directors from 14 countries, fostering a vibrant exchange of ideas and knowledge. Your commitment to education and the development of the next generation of tourism professionals has left a lasting impact on the participants.

The conference has exposed both the learners and teacher to possible career advancement in the tourism industry. We returned to South Africa even more confident after obtaining so much information about the importance of sustainability in the tourism industry; different careers that one can pursue in the industry and also interacting with people from completely different and unique cultural backgrounds.
